

Statement of Research Plan (For Research Students)

*Note: Please write an overview of the topic or theme on which you plan to conduct your research after enrollment. This overview should be about 1,000 Japanese characters long (or around 300 words in English.) Finally, also provide the date and your signature (and stamp, if possible).

Written Date	Year	Month	Day	Name(in block letters)	Stamp or Signature
	2024	2	14	Sally Brawn	(<i>Sally Brawn</i>)

Research theme

Research about Children's Care in NICU

Research plan

I would like to research

*Note: Please leave the "University Use Only" section blank.

If space provided is insufficient, write "Continued on back" and continue writing on the back side of the form.
It is also acceptable to complete this Planning Sheet on a PC.
