

Format	Hard type (hard cover) or soft type	
Size	A4 portrait	
Front cover	Color	Not specified. (However, dark blue or black are preferable for the hard type.)
	Text	Color not specified. (However, gold is preferable for the hard type.) Two rows of text, with the title in the top row and the author's name and year of publication in the bottom row (see below). May be in Japanese or English. If in Japanese – <ul style="list-style-type: none"> • If the main text is in English, add “(in English)” after the Japanese title, and write the author's name and year of publication. • If the main text is in Japanese, write the author's name and year of publication after the Japanese title.
Title page	Format	Use the prescribed format (see samples) for both Japanese and English text, with Japanese first and English second. A different format may be used as long as the content is the same.
	Title	Must be the same as stated on the Degree Application Form.
	Name	Use the name that appears on the enrollment register.
	Examiners' signatures	Ask your chief examiner and examiners to sign both the Japanese and English title pages.
Dean's signature	Ask at the Educational Affairs Subsection of the Academic Affairs Section when the Faculty Meeting has completed its examination.	
Spine	Text	May be in Japanese or English. If in Japanese – <ul style="list-style-type: none"> • If the main text is in English, add “(in English)” after the Japanese title, and write the author's name and year of publication. • If the main text is in Japanese, write the author's name and year of publication after the Japanese title.
	Year of publication	Write the calendar year in which you complete your studies. Examples: If completing in September of the 2008-09 academic year (actual month and year: September 2008) = 2008 If completing in March of the 2008-09 academic year (actual month and year: March 2009) = 2009 No particular rule on the type of letters used.

***Applicable from 2009-10 academic year.**
